

## *From the Board & Campaign Chairs*

### *Dear Friends*

Gryphon Place has operated for more than 40 years at 1104 South Westnedge Avenue. Unfortunately, the 100-year old historic fire house does not allow for the desperately needed program expansion.

After careful consideration, the Board of Directors has selected the facility at 3245 South 8th Street to take Gryphon Place forward into the future. This move will not only allow for program growth but will allow for accommodations that Gryphon Place currently lacks - additional meeting and training space, accessibility, and security.

We need your help to make this possible. This has been a long process and the Board of Directors is asking for your support. We invite you to make an investment in securing the new facility and create an endowment for continued maintenance, operation and program needs.

Sincerely,

Andrew J. Vorbrich, Chair  
Board of Directors

Emily Parfet, Chair  
Gryphon Place Capital Campaign
