

Gryphon Place Board of Directors Vacancy

We are currently accepting applications for our Board of Directors. The Board of Directors ensures oversight of Gryphon's mission and vision by providing management for Gryphon's business, property, and affairs.

What Does a Director do?

As a Director, you will understand and support Gryphon's mission, vision, and programs. You would also actively participate in our monthly Board of Directors meetings and join one Board Committee for the duration of your 3-year term. The time commitment per month is approximately 2-4 hours. You will also provide guidance on Gryphon's strategic plan by offering insight into policies, procedures, and DEI (diversity, equity, inclusion) initiatives. Directors promote and advocate for Gryphon with community connections and organizations.

What Do We Need in a Director?

We are committed to developing a Board of Directors that accurately represents the communities we serve. We value those with lived experiences (yourself or someone close to you) and personal identities, along with professional experiences.

We encourage anyone with a passion for helping people navigate situations of conflict and crisis to apply, regardless of experience or background. We are currently striving to increase representation of individuals with the following backgrounds and experiences:

- **Legal**
- **Public Safety**
- Tech/IT

**our biggest needs are bolded*

You can help make a better life for thousands of people

Gryphon Place has been helping those in conflict and crisis since 1970. Our mission is to help people navigate conflict and crisis, foster resiliency, restore community, and support healing.
