**Gryphon Place helps people navigate conflict and crisis, foster resiliency, restore community, and support healing.**

Gryphon Place has been helping those in conflict and crisis since 1970. We provide suicide prevention and crisis support through our 24/7 crisis helpline, our student suicide prevention curriculum, the Gatekeeper program, and our survivors of suicide support group. Our 2-1-1 services connect individuals to resources, and we are the local volunteer center. We also offer conflict resolution services in our community and in schools. No matter what you need, Gryphon Place is here for you.
